

Livre magique du royaume de Ghenjoi

Quetta n°1

A detailed technical diagram of a Morse code keyer's internal mechanism. It features a vertical metal frame with various components attached. A large, curved metal plate is positioned at the top right. On the left side, there are several horizontal bars of different lengths, some with small circular holes. The central part of the mechanism includes a vertical rod and a circular component with a grid pattern. The entire assembly is mounted on a wooden base.

The image shows two rows of binary patterns. The top row contains patterns for the letters U, V, W, X, Y, and Z. The bottom row contains patterns for the digits 1, 2, 3, 4, 5, 6, 7, 8, 9, and 0. Each letter/digit is represented by a unique combination of vertical dots and horizontal dashes.
